Regular Season & Playoff Tie-Breaker Rules

- 1 - Regular season standings and playoff seeds are determined by each team's winning percentage in the regular season
- 2 - If there is a tie in the regular season winning percentage, head to head competition **amongst the tied teams** will determine the higher seed.
- 3 - If the teams are still tied, run differential (head to head) **amongst the tied teams** will determine the higher seed
- 4 - If teams are still tied, then the team with the least number of runs given up against all teams shall determine the winner.
- 5 - If teams are still tied, the run differential against all teams will determine the winner.
- 6 - If the teams are still tied, a coin flip will determine the highest seed.
